Let's Brightn Lives! 🔆

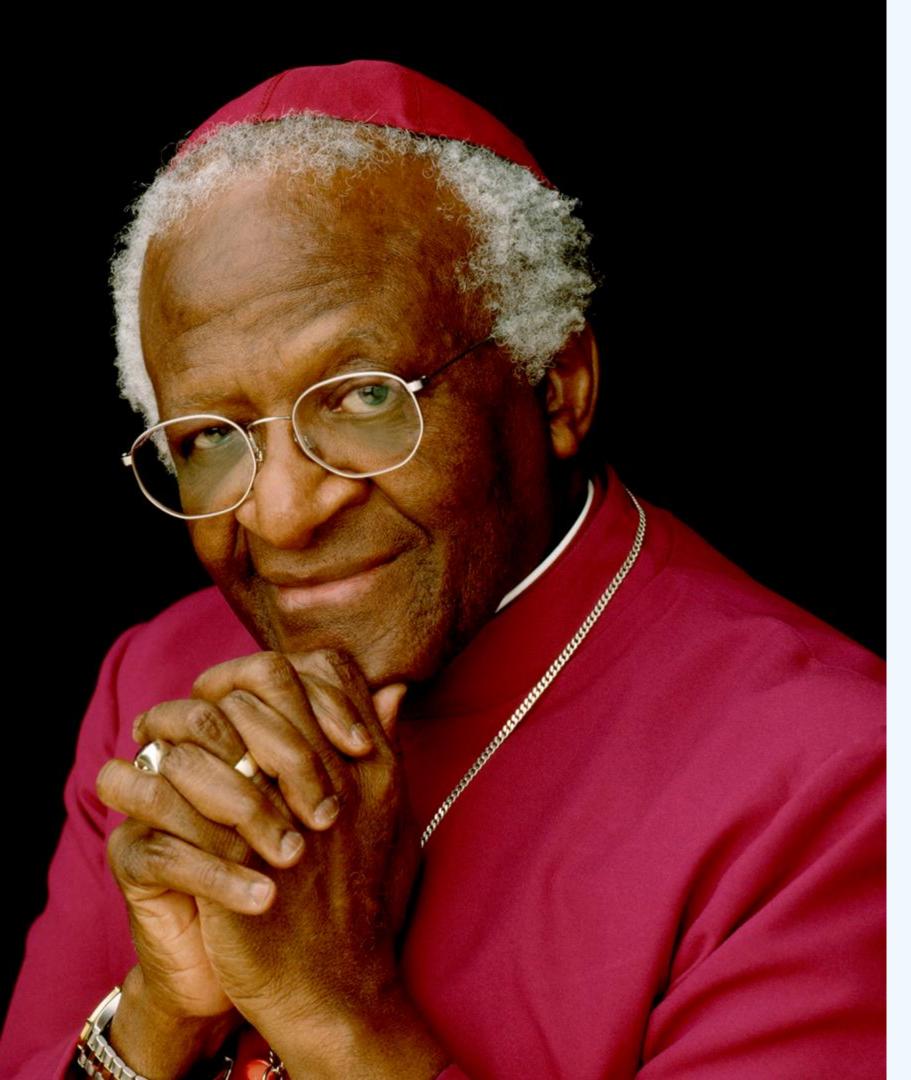

Through death and tragedy from the loss of his son and wife, Founder Jeff Johnston has dedicated his life to improving the wellbeing of young adults through an engaging and empowering AI driven mobile app. Three weeks after his son Seth died, Seth's daughter was born. Her name is Brighton. For Jeff, "purpose becomes

passion when it gets personal." This is personal.

66

There comes a point where we need to stop pulling people out of the river. We need to go upstream and find out why they are falling in. - Desmond Tutu

The Young Adult Mental Health Crisis

Financial Impact

Ŷ

Ŷ

42% of mental health spending in 2020 was from Gen Z \diamond

\$77 billion spent on mental health disorders by employers and workers in 2020

Gen Z's purchasing power projected to increase by 400% over next two years

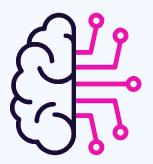

Comprehensive AI-Driven Mental Wellness Platform

Brightn is a mobile app that leverages Al to provide personalized, engaging, and effective mental wellness support for young adults.

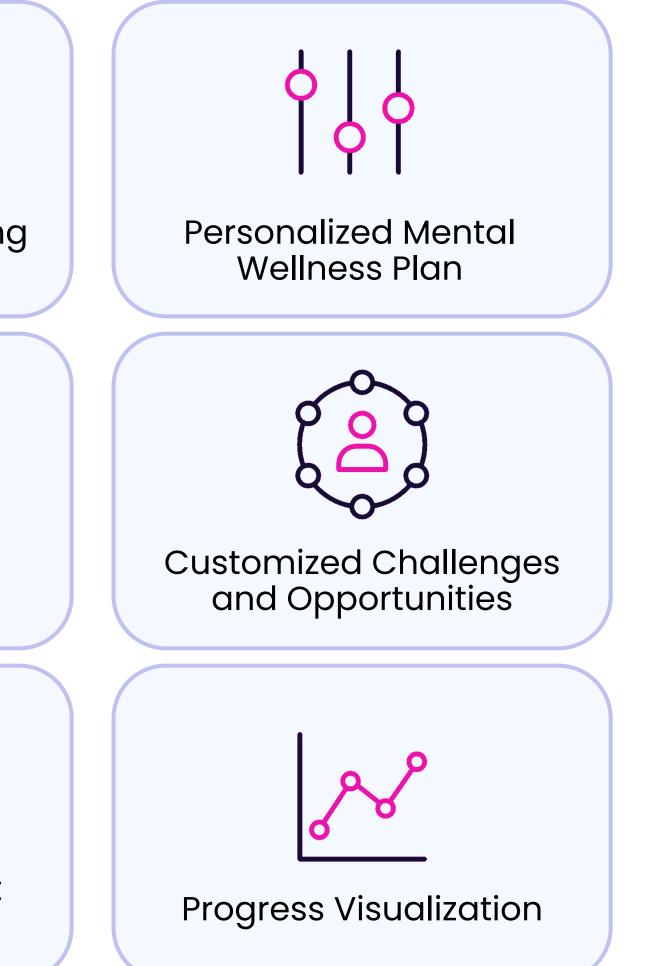

Al-Supported Journaling ("Deep Dive")

Community Support (#brightnwall)

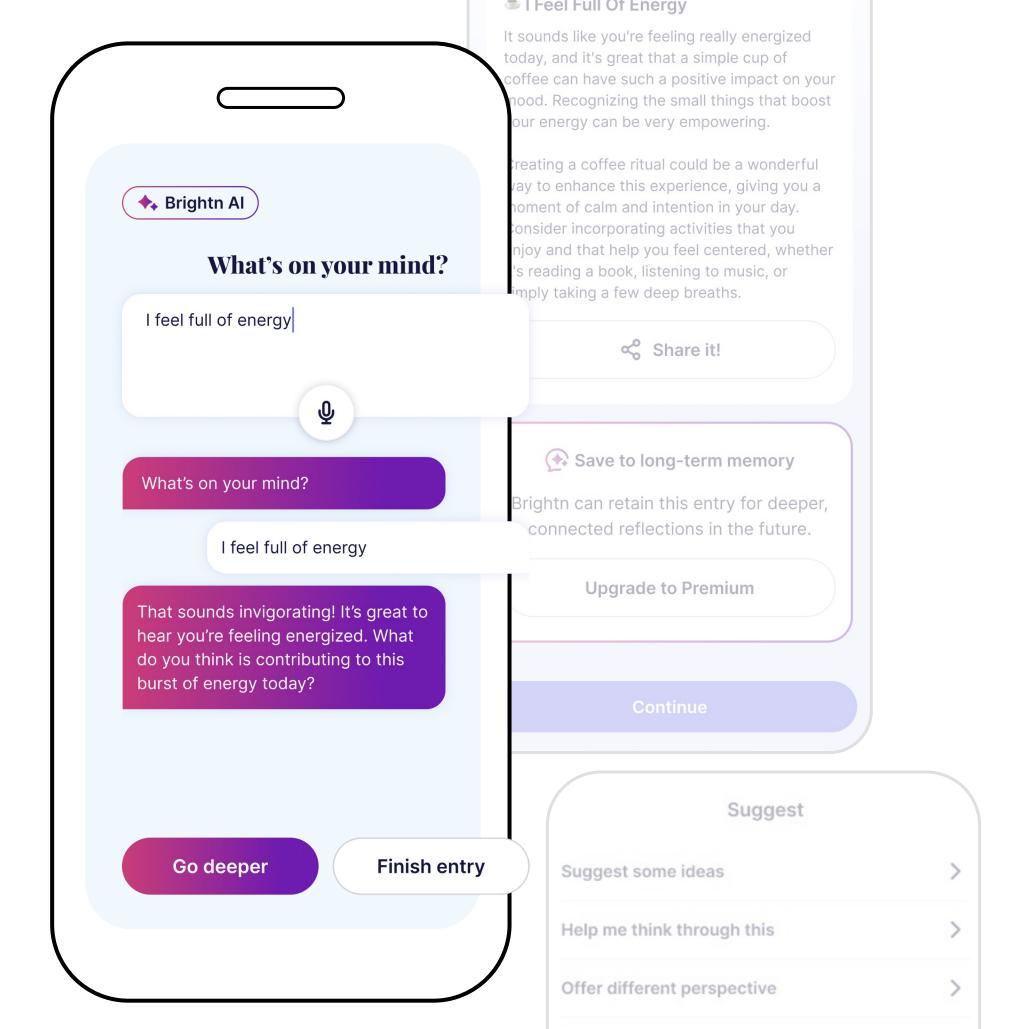

Key Features

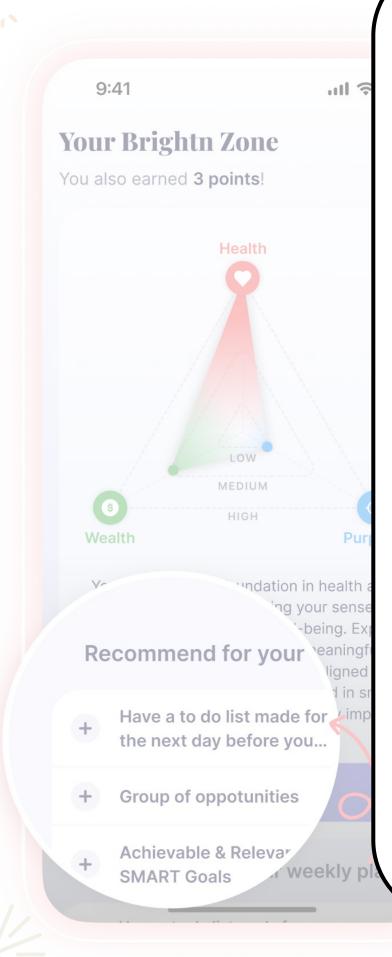

AI-Supported Journaling ("Deep Dive")

- Empathetic AI responses based on person-centered therapy
- Sentiment analysis for emotional trend tracking
- Thought-provoking questions to encourage self-reflection

Suggest next steps

>

⊙ PURPOSE

Ask yourself deep questions and challenge assumptions

How? 🖉

After watching the video, think about what matters to you most in your life. What drives you and motivates you? Write it down in your journal.

Why? 💛

Deep questioning allows you to evaluate whether your actions align with your core values and beliefs. This alignment is vital for living an authentic and fulfilling life that resonates with who you are at your core.
